Dear MCI Students and Parents/Guardians,

We hope that everyone is enjoying these beautiful summer days. While many weeks of summer remain, we are busy preparing for students' return to campus this fall!

MCI is so pleased to announce our plan to return to five day a week learning instruction and we are eager to welcome all students back to campus! Additionally, MCI will return to a daily schedule similar to one used during the 2018-2019 academic year. While we continue to follow guidelines as set forth by the CDC and DOE, please plan for your student(s) to begin classes at 7:45 am each day, with classes ending at 2:45 pm. Below, please find the schedule that we will resume with in the fall:

On Wednesday, September 1st, we will welcome all students back to campus! **SCTC will begin on Thursday, September 2nd for DAY 1 students.**

The academic office continues to work hard to complete student schedules, which will be available in early August. Office staff will be available to assist students in course request changes between August 17-28 from 9:00-2:30 pm every day. Students are encouraged to submit their course change requests via email to their counselor or request a video conference to discuss any changes. Students must make an appointment with their counselor to discuss course options in-person. For a list of course offerings, please check the 2021-2022 Course Selection Guide online at <https://wwwmci-school.org/academics/courses>.

Finally, families are required to complete the “Acceptable Use Policy” no later than Friday, August 20th. This information can be found and completed here: [Acceptable Use Policy](#). We also ask that you complete the following demographic information for our records: [MCI Student Demographic Survey 2021-2022](#).

We look forward to providing additional information as we near the start of the 2021-2022 academic year. Please do not hesitate to reach out with any additional questions.
