

School Orientation

Language Immersion

**Daily schedule mirrors MCI's school-year daily schedule & two-day rotation

**Classes and experiences with MCI faculty and staff to foster comfort on campus

**School-year expectations in the dorm to help students establish a routine early

**Local excursions to experience life in Maine

**Two academic paths designed to meet students' needs

**Courses in history, drama, math, technology & coding, and science

**Classes encourage student interaction through participatory techniques such as discussion and partner or group work

**Comprehensive testing to ensure students are placed appropriately for the school year
